

WORKING OUT RESTORING KINGDOM

W.O.R.K.

*Building people. Restoring order.
Advancing the Kingdom.*

BISHOP CHRISTOPHER L. BROWN

Establishmentarian

Erected MMXXIII | Newark, New Jersey

Welcome to the W.O.R.K.

A covenant for leaders who are ready to build healthy.

Working Out Restoring Kingdom is a Christ-centered apostolic fellowship created to strengthen pastors, leaders, churches, and emerging ministries through relationship, formation, restoration, and responsible spiritual oversight.

We believe the Kingdom advances when leaders are spiritually sound, administratively prepared, relationally accountable, and free to fulfill the assignment God placed in their hands. W.O.R.K. is not built to control a leader's calling. It exists to cultivate the leader, protect the work, and help ministries become stable enough to serve generations.

WHO WE ARE

W.O.R.K. is a relational network of churches, Bishops, Apostles, Overseers, Pastors, ministry leaders, and co-laborers united by shared doctrine, mutual honor, apostolic order, and Kingdom service.

OUR APOSTOLIC EMPHASIS

- Christ-centered ministry and biblical integrity
- Restoration without humiliation
- Formation before elevation
- Order that protects people and vision
- Accountability joined with compassion
- Strong churches serving stronger communities

OUR MANDATE

To prepare leaders, restore ministries, establish sound order, and send equipped workers into the harvest with clarity, courage, and credibility.

Vision, Purpose & Covenant Values

01 OUR VISION

To see a connected Kingdom community where leaders are whole, churches are healthy, ministries are properly ordered, and every assignment has the spiritual and practical support required to flourish.

02 OUR PURPOSE

W.O.R.K. exists to develop the person behind the position. We provide a credible environment for apostolic covering, ministerial formation, leadership counsel, governance support, fellowship, and collaborative Kingdom work.

CHARACTER

Giftedness never excuses a lack of integrity.

COVENANT

Relationship is strengthened through truth, honor, and consistency.

ORDER

Healthy structure protects people, purpose, and progress.

Correction should produce maturity, not public destruction.

Titles matter only when they increase our responsibility to serve.
